

**ASSAM ELECTRICITY REGULATORY COMMISSION**  
**Guwahati**

**Erratum Order**

**(Passed on 21<sup>st</sup> August, 2015)**

In pursuance to the Tariff Order dated 24<sup>th</sup> July, 2015 of Assam Power Distribution Company Ltd. (APDCL) for the FY 2015-16, the following corrections are to be incorporated:

**1. Section 1.5.1, Chapter 1**

AEGCL **Shall be read as** APDCL.

**2. Numbering of Section 6.25, 6.26 & 6.27, Chapter 6**

The Section 6.25, 6.26 & 6.27 **Shall be read as** 6.24, 6.25 & 6.26 respectively.

**3. Section 8.4, Para 1, Chapter 8**

“The open access consumers are liable to pay the cross subsidy surcharge to compensate the utility for any loss of revenue due to the shifting of the consumer to the open access system. In accordance with Regulation 4.3 of the AERC (Terms and Conditions for Open Access) Regulations, 2005, consumers with a connected load of 3 MW and above shall be allowed open access with effect from 1 April, 2008. Accordingly, HT category V (C): HT-II Industry consumers may likely opt for open access.”

**Shall be read as**

“The consumers having connected load of 1 MW and above shall be allowed open access and open access consumers are liable to pay the cross subsidy surcharge. Accordingly, HT category V (C): HT-II Industry consumers may likely opt for open access.”
